

Could I...Should I Workshop

Could I...Should I Start My Own Business?

Lost your enthusiasm for your job? Does it not give you the satisfaction it once did? Heck, you could do a better job than your boss! Or do you have this idea, one you know would be better than the way things are done now? Maybe you should start your own business... but how? This workshop will outline:

What it takes to start and manage your own business?
Why do businesses fail? Why do they succeed?
Do you have what it takes?
How can the SCORE Business Formation Process help you?
What is the SCORE Start-up Workshop Series?
What can a SCORE counselor provide to you?

Because starting a new business has such a large impact on every aspect of your life, and your spouse has a large role in it, we strongly urge you to bring your spouse - at NO CHARGE. A business partner may also attend at no extra charge.
